## The District

Now in its 152nd year, the Webster Groves School District serves students in five neighboring communities in suburban St. Louis, Missouri, including Glendale, Rock Hill, Shrewsbury, Warson Woods and Webster Groves. This community, with a district population of approximately 32,000, includes many business, academic and professional persons. It also represents a broad spectrum of socioeconomic groups and cultural interests. Webster University and Eden Theological Seminary are located in the school district as are several parochial and private schools.

## The High School

Since 1906, the High School has been accredited by the North Central Association of Colleges and Secondary Schools. In addition, the Missouri Department of Elementary and Secondary Education has determined that our school is an accredited secondary institution. Webster Groves High School holds membership in the National Association of College Admission Counselors (NACAC), and the Missouri Association of College Admission Counseling (MOACAC).

Total Enrollment: 1,414  
Senior Class 2019: 348  
Grade Levels: 9–12

The faculty consists of 128 teachers, two full-time librarians, a part-time librarian, six counselors, a school nurse, a social worker and six administrators. The majority of the teaching faculty holds a master's degree or above. Five members of the faculty hold a doctoral degree.

## COVID-19 Update

**2019-2020 School Year**—On March 23rd, 2020, the Webster Groves School District began virtual instruction, which ran until the end of the school year. The district adopted a hold harmless approach—grades were not lowered from where they were as of March 12, 2020, the last day before Spring Break. Students' grades could be improved, however, through teacher-provided virtual assignments. In addition, some final exams were not given for the spring semester.

**2020-2021 School Year**—Webster Groves High School moved to a 4x4 Block Schedule for the 2020-2021 school year. Students will earn .50 credit per class each Term (quarter).  
Semester One = T1 (.5 credit) & T2 (.5 credit)  
Semester Two = T3 (.5 credit) & T4 (.5 credit)

The district has not determined at this time if we will be virtual or in-person for the second semester.

24 credits are required for graduation. Credit must be earned in the following curriculum areas in order to fulfill school district requirements.

Communication Skills	4
