

**City life for an Immigrant is...**(What would they say is the reality of American life for an Immigrant in the city?)

**Directions:**

**Step 1:** Draw a Word Bubble and a thought bubble and complete the sentences above

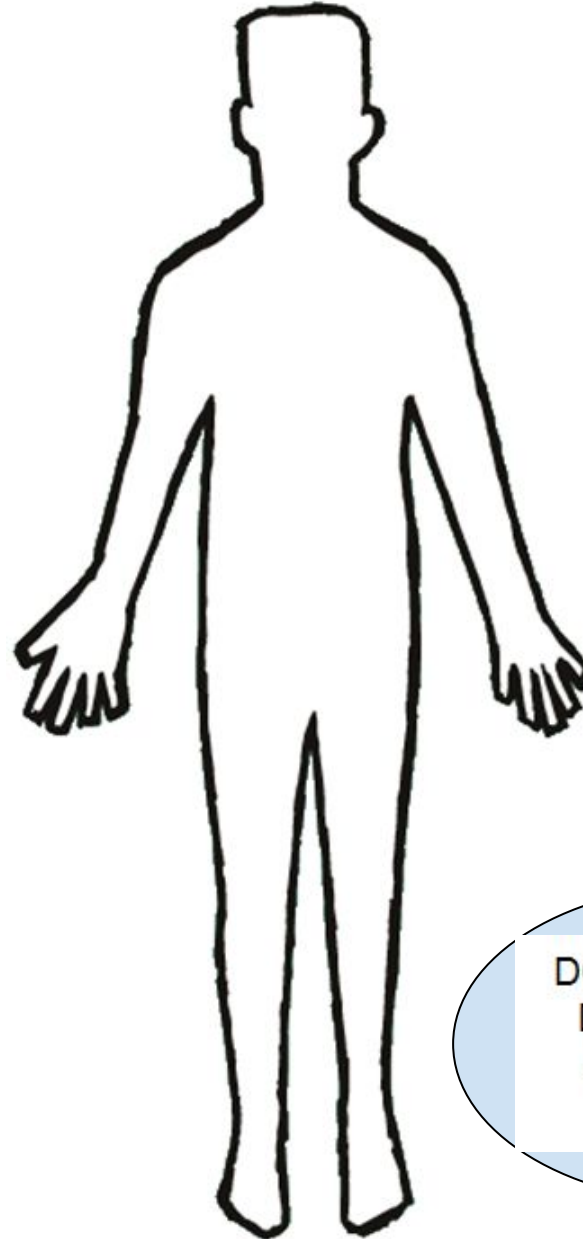

**Step 2:** Draw your urban immigrant from the late 1800s. What would they look like.

**Step 3:** Put a **MINIMUM** of 6 captions on or around your immigrant explaining the society in which they live. (ex working conditions, living conditions, racism, ethnic enclaves, political machines, etc...)

Make sure everything is very detailed and the entire page is in **FULL color**. No white anywhere.

Living Conditions

# IMMIGRANT

**I think America is going to be...**(What they thought America was going to be like before they arrived at Ellis Island or Angle Island.)

**Directions:**

**Step 4:** On half of your paper around your immigrant draw pictures and symbols that represent what their **living** conditions were like.

**Step 5:** On the other half of your paper around your immigrant draw pictures and symbols that represent what their **working** conditions were like.

**DO NOT WRITE or DRAW ON THIS INSTRUCTION SHEET.**
