

Welcome to the Maple Room!

Maple is now located in the old Sycamore Room, across from Seedling!

We're so excited to start our school year together!

-I'm Ms. Alyssa and I can't wait to see my returning friends and meet our new friends! I will be here at drop off and leave for rest time. This will be my seventh year at AFC! I graduated from Lindenwood University with a bachelor's in Early Childhood Education. I am also certified in Early Childhood Special Education. I am recently engaged to my fiancé, Kelcey who works at Avery Elementay! We can't wait to get married next July! We have two spoiled fur babies, Henry and Lola! I enjoy spending time with family, DIY projects, concerts, cooking and sporting events. I'm so excited to spend a wonderful year learning along with your children!

-Hi my new Maple family, I'm Ms. Gayle! I'm excited to be joining the Maple family and spending the afternoons with you. I will come for rest and be here for pick up. This is my third year at Ambrose and I have two bachelor's degrees in Early Childhood and Elementary Education. I live in Webster Groves with my husband, Mr. Larry, our dog, Apollo, and our bird, Edgar Allen Poe. We enjoy cooking, hiking, and are most recently enjoying our new garden! I'm also a mom and grandma.

Here's what you will need to bring to school! Please make sure everything is labeled with your child's name in a clearly labeled plastic bag!!

- Blanket & lovey to be left at school all week
- At least one extra mask
- Water bottle (to stay at school)
- Sunscreen & Bug spray
- Two complete changes of clothes
- Framed family photo

Communication will be mainly through Brightwheel (make sure your notifications are turned on through both your phone settings and Brightwheel settings) and email. Please feel free to message your child's teachers through either platform.

Please check out this link to view a tour of our classroom!

We know there is still some uncertainty and it may feel overwhelming and we want you to know that we will be taking many precautions to ensure our health and safety. We are lucky to have many beautiful outdoor spaces where we will be able to spend lots of time. We will always have your children's best interest at heart and are excited for lots of joy and fun together. We will also be giving each other lots of grace as we navigate this together.

We can't wait to see you soon and don't forget to wash your hands and mask up!

Alyssa & Gayle
