

## Welcome to the Seedling Room!

We're so excited to start our school year together! We are so happy your child will be a part of our class of two and three year olds! Here is a little bit of information about your teachers for this year.

**About Ms. Julia:** This is my 14th year of teaching at the AFC preschool and I am looking forward to working with your family! My degree is in Early Childhood Ed. and my Master's Degree is in Early Childhood Special Ed. I grew up in the WGSD and I love being a part of the Webster community as a teacher! I currently live in Webster with my husband and our children, Molly (9 yrs) & Carter (6 yrs). In my free time I enjoy spending time with my family and being outside! I will be working in person with your child from 7:30 a.m. until 12:30 p.m. so I'll see you every morning when you drop your child off!

**About Ms. Sandy:** This is my 22<sup>nd</sup> year of teaching at the AFC preschool and I'm looking forward to working with your family! I have a degree in Early Childhood Education. I am proud mother of four boys (25, 23, 22 and 19.) and also have two beautiful grandchildren. I love being a teacher in the WGSD because I wanted to give my talent back to the district as an educator. This is where I grew up and attended school also. In my free time, I enjoy cooking, traveling, making crafts, shopping and just enjoying time with my family. I'll be working in person with your child from 12-5:30 p.m. (and earlier on days we visit the forest or go for walks) so I'll see all of you parents daily when you pick your child up in the afternoon.

Here's what you will need to **bring to school!** Please make sure everything is labeled with your child's name in a clearly labeled plastic bag!!

- Blanket & lovie to be left at school all week
- At least one extra mask
- Small water bottle (to stay at school)
- Sunscren & Bug spray
- Two complete changes of clothes in a labeled Ziploc bag

We know there is still some uncertainty and it may feel overwhelming and we want you to know that we will be taking many precautions to ensure our health and safety the best we can. We are lucky to have many beautiful outdoor spaces where we will be able to spend lots of time. We will always have your children's best interest at heart and are excited for lots of joy and fun together. We will also be giving each other lots of grace as we navigate this together.

We can't wait to see you soon and don't forget to wash your hands and mask up!
