### Reminder..... Teddy Bear Week

The first grade classes will celebrate Teddy Bear Week this week. Students are asked to invite their teddy bear to spend the week with us. The bears will be the focus of many fun activities throughout the week. (If they do not have a bear, students are welcome to bring another kind of stuffed animal!)

### Thank You

A big thank you thank you to the Edgar Road PTO and all of the Edgar Road Families for the classroom grants. Your support will enable us to do so much in our classrooms.
