

Two Schools – One Building - One Last Time 2020-2021

Dear Steger and Givens Families:

April 1, 2021

This past Monday, we welcomed the students back from spring break and we hit the ground running for the last 45 days of school. There is so much for everyone to do as we head into the end of the school year.

Our students in grades 3rd – 6th will be taking the MAP, Missouri Assessment Program, this next month. Please help your child prepare for the assessments by making sure that before testing, they get a good night's sleep, eat a good breakfast, and they are on time for school. These actions all make a difference in preparing a child for testing. If your child wears a sports watch, please have them leave it at home on testing days.
