

Two Schools – One Building - One Last Time 2020-2021

Dear Steger and Givens Families:

April 8, 2021

We just completed our first week of testing and it went smoothly. Thank you to our counselors and teachers and Mr. Atterberry for planning a schedule that allowed everyone the time needed to complete the assessments. The entire school is working hard to keep our school as quiet as possible during testing. Of course, the practices of: helping your child get a good night's sleep, eating a good breakfast and getting to school on time make a difference in preparing him/her for testing. Please remember – no sports watches. Testing days continue for Steger and Givens on the following days:
