

Two Schools – One Building - One Last Time 2020-2021

Dear Steger and Givens Families:

May 6, 2021

We did it ... we made it through Camp Wyman on campus (even with several rainy days) and we made it through most of the end of year testing. Just a few more test make-ups to go! The teachers are working on comments on progress reports and those will be ready by the end of the school year. We are bringing so many things to closure as we end this year and prepare for the next. It is an exciting time and it's filled with a lot of emotions for children and adults. We're enjoying each day of teaching and learning as we work toward May 28th – the last day of school.

Tomorrow, May 7th, is a Professional Development Data day and **school will be dismissed at 11:45**. Our cafeteria will be providing a light lunch to be eaten at school or taken home.

As we continue to wind down the school year, please continue helping your child get to school on time. School starts at 7:50 and in order for everyone to have the best start to their day, everyone needs to be in in class ready to learn at start time. We know that sometimes being late for school is not avoidable, but we'd like to work with parents to help the children get to school on time. Simple strategies like: packing your lunch and/or back pack the night before, setting an alarm, and laying out clothes helps when they're trying to get to school on time. If we can be of assistance in any way, please don't hesitate to let me or any of the staff know.

May 27th – 5th grade Graduation/Celebration – 1:15 p.m., to take place in the gym. We will be recognizing all 5th graders – Virtual and Responsive. Each student will be allowed 4 guests.

May 28th – Last day for students – 9:00-11:00 a.m. PTO sponsored Kona ice treat – Dismissal at 11:45 a.m.

Please note: All district devices, ie: chrome books, hot spots, etc., must be returned to school prior to 5/28.

FIELD DAY – Activities are being planned by our PE staff and will take place during PE classes during the last week of school. We will not be having a designated field day this year.

During the month of May, we recognize and celebrate **Asian Pacific Islanders**. The attached video is of children sharing their family backgrounds. You may want to share this with your family.

In addition, May is the month of several other recognitions: Older American month, Jewish American Heritage month, and Mental Health Awareness month. There are many videos available to share with your family to learn, discuss and recognize others.

Congratulations to 6th grade Science Fair Blue Ribbon Winner - Nate Webber!

The WGSD is serving breakfast and lunch for free and providing delivery for our virtual learners. Please see the attached link for more information.

free breakfast and
lunch.pptx

Kindergarten Registration for the 2021-2022 school year continues!

*As always, thank you for sharing your children with us,
Dr. Retzlaff*

During in person learning and distance learning, Webster Groves Students will continue to have access to FREE breakfast and FREE lunch Monday - Friday.

Meals are available for our virtual learners via contactless home delivery. Students who have opted for in person learning, will be able choose their meal choice daily in the classroom.

For home delivery, please sign up using the below link
