September 21

Givens PTO Meeting, 6:30 p.m.

Picture days – September 28th and October 1st. Information to follow

Dear Givens Families:

Over the past month, I've had the pleasure of meeting (mostly through Zoom) many of the Givens families. I've been impressed with the support and commitment of the families to the school and the teachers. This is truly a wonderful place for teaching and learning. I know these last few weeks have been somewhat trying for everyone. Please know that the teachers continue to refine the delivery of instruction to best meet the needs of the children. Also, know that the teaching staff welcomes your input on how to best provide opportunities for the children. Although not ideal, I do enjoy visiting the classrooms virtually and seeing the interaction with the teachers.

The Materials and Supply pick up day went well. If you were not able to make it to the pick-up, we have the items set aside near the office. So, stop in and we'll be glad to get your child's materials. Our next pick up day is Thursday, 9/24.

Thanks to the planning of Mrs. Brooks and Mr. Atterberry, we will have PICTURE DAY(S) on September 28th and October 1st. You will be able to make an appointment for your child through Sign Up Genius. We will be able to accommodate 20-40 per hour on the 28th depending on the time of day and 20 students per hour on October 1st. In order to keep everyone safe, we will have a simple drop off and pick up plan utilizing the cafeteria as the photography area. PICTURE DAY details are being shared in a separate flyer!

As always, thank you for your support and patience,

Dr. Retzlaff

Thank you for helping your child prepare for their school day. They need to be ready to learn by 7:50. That means that they're up, dressed, breakfast finished and they're logging in by 7:50.

Givens learners keep up the good work!

Our school is a food distribution site. If you are interested, please see the information provided in this link.
