

# JR. STATESMEN BASEBALL

## Love to play baseball?

Teams are forming **NOW**, so registration is **OPEN** for  
9u-11u players at [www.JrStatesmenBaseball.org](http://www.JrStatesmenBaseball.org)

The Jr. Statesmen Baseball program is excited to announce its expansion to include "Development Teams" (formerly known as the Webster Orange Sox) for players in 3<sup>rd</sup>-5<sup>th</sup> grades. This "new" level of JSB teams will grow our competitive baseball program designed to mentally and physically prepare players for Webster Groves High School (WGHS) baseball.

Community-minded and community-grown, this program is open to any player living within or attending the Webster Groves School District that dreams of playing for our Jr. Statesmen Baseball Club Teams (6<sup>th</sup>-8<sup>th</sup> Grades) and the high school team. **No tryouts required, so there is a roster spot for everyone.**

As an informal extension of the high school baseball program, Jr. Statesmen teams will be guided by the same principles, routines and philosophies as the WGHS baseball program. The goal of the program is to instill the fundamental aspects of the game along with promoting a strong work ethic, sportsmanship, and teamwork while celebrating each player's successes on and off the field!

**Find more information about our program on our website.**
