**Parents:**

Talking and writing about books at home and during school breaks is highly beneficial to maintain and even improve reading skills. To access book lists, please visit the Webster Groves School District website at [www.webster.k12.mo.us](http://www.webster.k12.mo.us).

**Students:**

To earn a **FREE** book, please read the number of books listed for your grade level. These books should be at an appropriate level for you. If you read more, that's great! Just use another sheet of paper, or download another copy on the Webster Groves School District website at: [www.webster.k12.mo.us](http://www.webster.k12.mo.us).

Return this form to your teacher or your school's librarian on or before **Friday, January 18.**

Please log books on the  
backside of this form.
