Click on the drop down arrows to see your selection choices Location, rooms, etc. Choose your event dates by clicking on the date in the

calendar boxes. You can click on the black arrows in the calendar boxes to change months. Also use the **Check Availability** button to verify you are not double booking a room.

- **The "Duration" and "Spans Over" (shown below the Setup/Breakdown time) typically will not need to be changed. Most events typically span over 1 day. The duration automatically calculates according to the start and end time that you enter. Also make sure that you are choosing the correct time of day such as "AM" or "PM".**

The screenshot shows a web form for booking an event. The form includes the following fields and options:
