Dear Ms. Koenig,

We appreciate you reaching out and sharing your words of thanks for Dr. Retzlaff and the work she did as the interim principal at Hixson. We also appreciate your thoughts regarding the importance of always having strong leadership at Hixson. Please trust that I will work hard to ensure our students, staff, and families have the best leadership possible. All are deserving!

Take care,
John

Subject: Hixson Principal

Hi there, I want to take a moment to thank you for choosing Pam Retzlaff as the interim Hixson Principal. During Dr. Retzlaff's brief tenure as Principal, we enjoyed a level of organization and structure that has not typically been present at Hixson. It was a breath of fresh air to see the school run so smoothly and professionally.

I would also like to encourage you to think about introducing stronger leadership to Hixson on a more permanent basis. Middle school is where our kids are most at risk at many levels, and a strong Principal is needed here more than anywhere. Kids, teachers and parents alike would benefit from someone who can maintain a sense of order at Hixson. I do not feel that we have that now, and it is disheartening to go back to that old feeling of loosely controlled chaos.

Thanks so much for your consideration of my feedback, and thank you so much for all that you do for our kids!
