

Science Fair How To Night

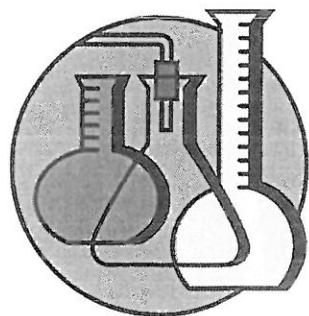

Problem...Hypothesis...Dependent Variables...
Scientific Worth...?

Don't be confused! Come learn how to do a science fair project. Steps to complete a project will be shown and examples of past exhibits will be on display!
This workshop is for parents and students.

Wednesday, November 20, 2019
Edgar Road Elementary Library
6:00 p.m.

(walk in front door, go straight down the center hallway,
library on the left)

Presentation done by Mrs. Shayla Pott,
District Science Fair Coordinator

Bring Your Smile!

Hudson Elementary School

Retakes

Thursday, November 7, 2019
jueves, 7 de noviembre, 2019
