

January 8, 2019

The meeting was called to order by secretary, Nancy Pearl.

Dr. Winkler

- VIP day was a success. Many visitors came to Avery on December 15th and had positive things to say about the experience.
- Teachers participated in PD last Friday that was led by Dr. Bryan Pearlman. He presented on social emotional learning and trauma informed teaching.

Treasurer Mike McNerney provided a budget update:

- The grand total of the fundraiser buyout was \$12,600. PTO has turned the money over to the Avery office. The staff has been notified of the amount they have to spend. Nanci Pollihan will be keeping track of the teachers' purchases and reimbursing them as needed. We decided to distribute the money in this way to be more transparent with parents as to where their buyout money is going.
- Mike provided a financial update which can be found on the Avery PTO website.
