

## Classroom Connection

Mrs. Lorson

August 21, 2020

**Getting Started:** On Monday, your child will attend class by logging into Clever using their Google account. The login information was sent home in the supply bag. Once they are in Clever, they will choose the red Canvas button. That should take them to my Canvas page. From there, they will choose the Daily Zoom Link. My password is l1. If you need more assistance, Mrs. Gray has made a video with detailed directions. [Watch here.](#)

**First Day of First Grade Pictures:** I would love to hang a picture of each student in the classroom. Please take a snapshot of your child and e-mail to me at [lorson.marigene@wgmail.org](mailto:lorson.marigene@wgmail.org). Thank you.

### Schedule:

Our daily schedule can be found on my Canvas page. We will spend a lot of the first week in whole group activities on zoom. The students will be away from Zoom for the "Asynchronous Learning Time" from 10:20 - 11:05 (with independent work choices-found on my Canvas page), the "Lunch and Free Play" from 11:15 - 12:05, and the "Asynchronous Learning Time" from 2:05 - 2:50 (with independent work choices found on my Canvas page). The students will also have body breaks throughout the day to stretch and use the restroom.

### Me Bag Directions:

As one of our "getting to know you" activities, students will be asked to share 2-3 items to teach us learn what they like. Please see the ME bag link below for more information. I will share my ME bag on Monday, and then students will share on their assigned day, Tuesday - Thursday. I will email you the night before your child's turn and they will share the next day during our Zoom Social Studies time. [ME bag directions](#)

### Supplies:

If your child will be doing their virtual learning somewhere other than home, please have them include in their backpack a small stuffed animal and a few favorite books. These items may come in handy during independent work time.
