

Classroom Connection
Mrs. Lorson
September 25, 2020

Supply Pick Up: Please come to Clark School on Tuesday, September 29th from 4:30-6:00 pm to pick up some first grade materials. Please leave the materials in the envelope and your child will get them out as we use them in class. ***At that same time, please return books, any Ziploc bags with your child's name (I would like to reuse) and the white envelope.***

Thank you for your help in the management of these supplies. I am grateful!

Turning Work In: About once week there is independent work I would like to collect to monitor your child's progress. These assignments will be posted on the Canvas Calendar and I will also send an e-mail. Please use the SeeSaw Class app. I cannot see any items you post to SeeSaw Family app. If you use SeeSaw through Clever it will come directly to me. Many of you have a QR code to add the Class app to your phone. If you need that please let me know. I check SeeSaw often so you will know that I saw your post when it is approved. If you have not posted math journal pages 50 and 52, please do so. If you have trouble with SeeSaw, please text or e-mail the pictures to me. ***Thank you for your help in getting these pieces of work turned in in a timely manner.***

Art: Here is a message from Mrs. Boyer. We have art on Thursday. *Students will be making Shape Mobiles inspired by Alexander Calder. Students need to bring fun papers (newspaper, construction paper, magazines, old artwork to be cut up, etc.), scissors, glue and some sort of string (ribbon, yarn, etc.). Optional: a hanger or a stick to hang strings from to create the mobile =)*

Upcoming Events:

- Friday, September 25th Turn in Math pages 50 and 52
- Tuesday, September 29th Supply Pick-up
