

Classroom Connection

Mrs. Lorson

October 9, 2020

Asynchronous Days on Monday, October 12th and Tuesday, October 13th
K-2 students in the responsive program will follow an all-day asynchronous learning plan. This will give K-2 teachers time to plan and set up their classrooms in preparation for students to return on Wednesday, October 14. Students will be assigned independent activities to complete on these days.

Return to School on Wednesday, October 14th, 2020:

Supplies: Please refer to [this list](#) while helping your child pack. I understand there are many items on this list. There are a few items you can send on Thursday to make packing the backpack for Wednesday easier. If you want me to keep the extra set of clothing at school, please put it in a bag and marked with your child's name and keep at school noted on bag. If you prefer for your child to keep the extra clothes in their backpack that is fine as well.

Lunch Menu: There will be two lunch choices each day. Please see the attached menu.

How will your child get home? I need to know if your child will be riding in carpool or meeting an adult in a hello zone. *Please e-mail me this information by Monday afternoon. Thank you.*

More Information: If you have not had a chance to check out [this newsletter](#) from Dr. Hays, please do so.

Contact Me: I am excited for the discussions, experiences and learning that can happen with in person learning. My goal is for the students to learn and grow while feeling happy and safe. I am sure you will have questions or concerns. **Do not hesitate to contact me at any time.**

Dates to note:

- Monday, October 12th and Tuesday, October 13th All-Day Asynchronous Learning
- Wednesday, October 14th First Day of In-Person Learning ☺
- Friday, October 16th Early Dismissal at 11:45am
