

## Classroom Connection

Mrs. Lorson

October 16, 2020

We had a nice first week back. I am very happy to have the students at school. The kids are doing a great job learning the new routines. The room is starting to feel like a "real" classroom now. Their kindness and spirit fills the room.

### YOU CAN HELP:

- Please sharpen pencils. We are using individual supplies. I have provided the pencils, but I could use your help each weekend sharpening them and returning them on Monday. Your child will bring them home each Friday. I appreciate the help.
- I will also send home the towel each Friday. Please send a clean one on Monday. Please send a small or medium size bath towel as we just don't have the extra space for oversized towels. Thank you.
- I think most materials have made it back to school. I will reach out next week if there is anything we still need. If you find any of the following please send: math materials, especially dice or pattern blocks, or books from Clark. If you have not sent your child's headphones, please do so on Monday as we will begin using computers.
- Pink Placard: Please make sure you have the sign in your front window when picking up your child in carpool. This makes the process go faster.
- Clean out your child's gray folder and backpack each night. If there is something there you think belongs at school please send me an e-mail and ask. Sometimes the kids forget to take things out. Thank you!!!
