

## Classroom Connection

Mrs. Lorson

December 9, 2020

- **Famous Faces project:** Next week I will be filming the students reciting their speeches. It looks like we will be filming on Wednesday, December 16<sup>th</sup>. We have been practicing our speeches at school and learning more about each Famous Face. Each night have your child practice reciting their speech from memory while speaking loud and clear. It is important that they stand still and look straight ahead. Lots of practice will lead to a successful recording day. Thank you.
- **Costumes for project:** If possible, have your child wear parts of their costume to school on Dec. 16<sup>th</sup>. Any extra parts should be in a bag, marked with their name and be pieces they can easily put on themselves. It is fine if your child will not have a specific costume; in that case they may wear plain or neutral clothes (NO GREEN). If you have questions, please contact me.
- **Individual Supplies:** The students were given a box of crayons, markers, large eraser, glue stick and pencils in the fall. Some students' supplies are still in good shape, but others could use replacements. Please check with your child and ask what they may need for the second half of the year. Thank you.
- **Classroom Supplies:** We could use a few bottles of hand sanitizer. If you are able to send one in, please do so. Thank you.

**Upcoming Dates to Note:**

**12/23/20-1/04/20 Winter Break**
