

## Classroom Connection

Mrs. Lorson

December 17, 2020

- **Famous Faces project:** The students did very well reciting their speeches. Thank you for your help in getting your child ready for this part of the project. The movie should be ready for viewing in January of 2021. After break we will take a closer look at the characteristics and behaviors of our famous people that led them to be successful.
- **Individual Supplies:** Please check with your child and see what they need for second semester. They will need to be bringing sharpened pencils and erasers on a weekly basis. If you have questions about supplies, please let me know.
- **Reading over break:** I am sending home a reading log that your child can use over winter break to keep track of their daily reading. All students who return their completed log and meets or exceeds the class goal of 200 minutes of reading will receive a prize. The reading logs are due 1/05/21. I highly encourage you to set aside 10-15 minutes per day during break for reading. You can include books you read to your child, books they read or books read on Raz Kids. Daily reading really makes a difference and time spent reading at home is a predictor of success at school. Thank you for your support.
- **Thank you all for a wonderful first half of the school year. I have loved my time with your children and I am grateful for your support. I hope you have a fantastic break. I look forward to seeing your children in 2021.**

### Upcoming Dates to Note:

12/21/20-1/04/21: Winter Break

01/05/21: School Resumes
