

Classroom Connection

Mrs. Lorson

January 13, 2021

- **Famous Faces Celebration:** Your child has completed the Famous Faces unit. They have learned about many different people who have made a difference in our world and the behaviors that made them successful. The first graders have also thought about people in their own life who have influenced them and wrote a book titled Everyday Heroes.
Today you can celebrate your child's learning by watching our class movie on See Saw and looking through their Famous Faces folder and reading their Everyday Heroes book. We wish we could share this learning with you in our classroom, but I am confident you will enjoy the movie and viewing your child's work in your home.
- **Classroom Supplies:** Thank you so much for sending in the bottles of hand sanitizer for classroom use. I believe we have enough hand sanitizer to get us through the next few months. Since the students clean the top of their desks in the middle of each day, we are getting low on disinfectant wipes. If you are able to send some in, it would be greatly appreciated.
- **Masks:** Thank you for making sure your child has a mask that fits well each day. I am noticing that after recess the kids' masks are often wet due to running and talking in the cold weather. The students often ask to change masks after recess. We have always asked that your child have a second clean mask, but some children may actually need a third since we have two recesses. Discuss with your child. Thank you for your help in keeping everyone safe.
- **Science:** Our next unit is called Space Systems. We will be studying patterns of the sun and moon. I have noticed when the first graders book shop in the classroom library they have shown a lot of interest in the solar system as well so I am sure we will add in some time to read about the planets.

Upcoming Dates to Note:

01/14/21: Picture Day

01/18/21: No School -Dr. MLK Jr. Day

02/01/21: January Reading Log Due
