

Classroom Connection

Mrs. Lorson

January 10, 2024

Happy New Year: 2024 is off to a wonderful start in our classroom! As always please let me know if you have any questions or concerns. I want the second half of the year to go as well as the first.

Famous Faces: Today your child will be bringing books home about their assigned Famous Person. There will be an overview of this unit in the Ziploc bag with the books. I am also attaching a copy in today's email. **Thank you in advance for your support!**

Classroom Supplies: On Friday I will be passing out the extra crayons and markers you bought for your child in August. I will let the student's decide if they want to bring home their older crayons and markers or donate the ones that are still in working condition to the classroom containers. If you have a preference as to what your child does with their older crayons and markers please let them know.

In the red folder: Please find your child's Unit 4 Math assessment.

Upcoming Dates to Note:

1/15: No School

1/16: Return Famous Faces books to school

2/13: Famous Faces Taping

2/16 & 2/19: No School

2/29: Famous Faces Movie Premiere, 2:15pm-more details to come
