

November 12, 2019

The meeting was called to order by President Lindsay Moody.

Lindsay Moody

- Grade- level grants have not been used at all- each grade level still has \$1,000 to use. Our teacher liaisons have been asked to remind the staff of these available funds.
- We need input from Avery staff on what we should spend our money on this year.
- At the end of this school year, Lindsay Moody will be stepping down as president. Vice President, Heidi Bolzenius has agreed to be president next year (pending approval at the general meeting in May). Jaime Leuders has also agreed to join the executive board next year. We are still needing at least one more person to join the board for next school year. We are also currently looking for an auditor. Contact Lindsay Moody if interested in any board position.

Principal's Update

- Admin was not available to come to this meeting.

Treasurer Mike McNerney

- Shared the financial update and a copy of the current budget.
- Our buyout has reached \$10,900 so all money promised to teachers is in, all overage can go into grant money to be used as needed. Lindsay will send out one more push in hopes of reaching our \$12,000 goal.

Avery Parents for Racial Equity Update

- Elisa Tomich went over the racial equity's group presentation next week- all who can attend, really should. She is also going to hold an event at Rock in Jump in which those proceeds will go to the racial equity group.

Picnic Tables for Front Lawn

- Alena Horn presented on picnic tables- we have given her the ok to begin this project- in the meantime (spring) PTO will purchase wooden tables for the front lawn so something is there that can be used. She also presented on the pumpkin "garden/patch" area and buying reusable silverware- while PTO can pay for these ideas, the school admin needs to approve these ideas. .

Upcoming Dates:

- **Nov. 19: Parent's For Racial Equity, Why Didn't I say Something workshop
7-8:30pm**
- **Dec 13: Jet's Pizza**
