

PTO Executive Meeting

Principal Report-Nancy Zitzmann

- Best fund from Sara Wichard \$476 plus shipping for stands for instruments-decision delayed until next meeting
- Playground is finished, grant still needs to be submitted when final information received. There is a small section that still needs to be repaired.
- Still vandalism on the slide, wrong piece received initially. Company coming to fix (\$1200). Deductible \$1000 for insurance, claim submitted.

Teacher Report-Clint Woodfin

- Great start to year. Great turnout at PTO meeting on Thursday.
- Mr. Woodfin got some new furniture for his classroom, starting to create Responsive Spaces. Kids will have say in responsive classroom with input for what they need and want in the classroom. Teachers doing a book study on Responsive Spaces this fall. May be an area that PTO can help in the future now that the playground done.

Presidents' Report-Becky Hauser, Deborah Nobis

- Goals for 2016-2017 school year for the PTO discussed, the following are what we will focus on this year pending some more research
 - Update computer technology in the computer lab (Nancy needs to talk to tech director and get specific info on what is needed)
 - Wellness initiative-better environment for children to learn and grow www.wellnessintheschool.org, Can bring in local chefs, educate families on what to eat at home, green initiative to make school environmentally friendly. Healthy kids week would also fit in to this. Would need to check with Chartwells about food in the school and if this is possible.
 - Focus on STEM/STEAM education. Kids could do field trips to be educated. Betsy Moppert is science coordinator for district to find out what other schools are doing district wide. Makers Space could be applicable for grades K-6. Program has already started. Cabinets on wheels have been bought to store items for makers space and can be rolled between library and art room. Also need education for teachers on how to use Makers Space.

Monday, September 12, 2016

- Art room renovation and what is needed to improve art room, kiln broken this year. Will ask Ms. Capron to research and see what she needs and PTO board will check out room after meeting.
- Responsive spaces, teachers doing study and will give ideas
- Will type up a list of goals and explain what everything is to publish on Facebook and in bulletin so parents can know exactly what we're asking for with direct donation. Jody to research and type up.
- Elyssa Sullivan will be willing to put together a survey for the year
- Teacher Gifts, will plan to deliver \$100 bill this week. Stephanie will put together and we will deliver on Friday.
- Direct donation campaign At about 30% participation and \$10,000 raised so far. Goal is 100% participation. Suggestion for kids to participate and ask for donations, possibly a script for kids to approach family/friends and ask for donations. Could be incentive for kids if we reach our goal, possibly and extra recess.
- PAWs for PTO, can mention goals in upcoming bulletin
- Schoola clothes drive-need new to find new contact person at schoola before it starts
- Elizabeth Moller and Pat Weaver update our Bristol Website. Should we be using website more? Could be a survey question and do the board should do a little research and look around the website
- Kids picking charity today for cap & slipper

1st Vice Presidents' Report-Naomi Neal, Jody Forsee

- Nothing new since PTO meeting Thursday night

2nd Vice Presidents' Report-Katie Franke, Holly Kunze

- Nothing new since Thursday
